

STOCKHOLM DESIGN WEEK & FURNITURE FAIR

2025-02-08

Älvsjömässan

February 3–9 2025, Stockholm Design Week invites all to a city buzzing with events, exhibitions and open showrooms. The design week welcomes professionals, industry insiders and the public from all over the world to participate in design events and product launches in the city – to meet, mingle and network. Our aim is to push the Scandinavian design industry forward and to make design engage both professionals and enthusiasts alike.

Welcome to Stockholm Furniture Fair, Scandinavia's leading platform for furniture and lighting design. Every February, we invite you to an inspiring fair with a wide range of exhibitors, interesting stage programs, and exhibitions that push the boundaries of what design can be. By blending business with culture, Stockholm Furniture Fair serves as a test bed for new ideas.
